Twinkl - Each day you'll find a new set of daily activities to get involved with. Qualified Twinkl teachers will provide book readings, live lessons, positive news updates and more. We'll be bringing you activities from our partners too, to help fill your days and offer some much-needed variety. Activities will be listed the day before - giving you enough time to get prepped and set up for the next day's learning.

BrainPop – American company with animated videos for kids of a range of ages on a range of topics. Currently has videos covering Covid 19 information for kids such as 'flattening the curve' and what soap does. Free currently due to school closures. Check content is relevant to Australia before using. <https://www.brainpop.com/>

3plearning - (Makers of Reading eggs, maths seeds, Mathletics) Free downloadable resources over a range of areas and levels including PowerPoints, worksheets and decodable readers. Need to provide your email address and opt in to receive marketing material.

<https://www.3plearning.com/>

Reading Resources

Vooks - A kid-safe, ad-free streaming library of read-aloud animated storybooks for ages 2 – 8 (but could be used throughout primary school/EAL as a literacy prompt) – (Free for a year for teachers - <https://www.vooks.com/teacher-appreciation>).

Serial Mash - The growing online-library of guided reading books. With a new chapter every week of term, writing activities and guided reading resources, all the hard work is done for you. Free for teachers for Term 2 <https://2simple.com/au/serial-mash/>

Oxford Owl – E-books, reading, maths resources. They currently have weekly 'Draw Alongs' with well known illustrators which could be a great option if you are in a school and need some fun activities. Also look at Author Challenge and Author Storytime. (Free for teachers and parents) <https://home.oxfordowl.co.uk/blog/online-author-videos-storytelling-draw-along-challenges/>

Reading Eggs - This is a paid subscription service but is something many schools have their students sign up for on a yearly basis so it's worth checking with your school to see if it is a good option for students. <https://readingeggs.com.au/>
(subscription code – 2 week trial: https://readingeggs.com.au/taf1/?ref_parent_id=5615409)

Writing

Writing Legends - a comprehensive writing program, containing hundreds of activities for students in years 3 to 6 <https://www.writinglegends.com/pages/public/register/new-teacher.php> Sign up free until July 31st

Maths Resources

Mathletics - This is a paid subscription service but is something many schools have their students sign up for on a yearly basis so it's worth checking with your school to see if it is a good option for students. <https://www.mathletics.com/au/> (subscription)
